Applied Information, Inc.
3000 Summit Place
Alpharetta, GA 30009
November 2025

Subject: Statement of Compliance – Build America, Buy America Act (BABA)

To our valued customers and partners,

Applied Information, Inc. is committed to advancing U.S. manufacturing and innovation in the intelligent transportation sector. This statement confirms that the products listed below comply with the requirements of the Build America, Buy America Act (BABA).

For these products, the cost of components that are manufactured or produced in the United States exceeds 55% of the total cost of all components. Design, assembly, and testing are performed at our facility in Alpharetta, Georgia, ensuring compliance with federal procurement standards and supporting American jobs and industry.
